

Join the Franciscan Sisters of Our Lady of Perpetual Help for a prayer service in Kirkwood Park on Wednesday, May 22 at 6:30 pm. During *Laudato Si'* Week (May 19 -26) we celebrate *Seeds of Hope* as we commemorate the ninth anniversary of Pope Francis' encyclical *Laudato Si'*. We will gather at Walker Lake Parking lot. Register at [www.fsolph.org/events/](http://www.fsolph.org/events/) (We do ask that you please sign up with all contact information, so that we can text you easily in case of inclement weather. This also allows us to send you an email reminder one day and one hour before the event.)

Enter Kirkwood Park from Geyer Road or Monroe Avenue for easiest access. See the red star on the map for our intended gathering location. The area we will be using is wheelchair accessible and only a short distance from the parking lot. All are welcome.

This event is free and sponsored by the Franciscan Sisters of Our Lady of Perpetual Help through their Franciscans For Earth movement outreach.
