

	Problem Statement	2023	2024	2025	2026
<b>1. Create awareness and Inform</b>	<p>1) <i>Lack of awareness of the existence and spiritual meaning of LS;</i></p> <p>2) <i>Need of a greater understanding of the dimension of the Ecological Crisis.</i></p> <p>3) <i>Need of educational, engaging opportunities for the youth.</i></p> <p>4) <i>Lack of support to address environmental matters from leadership.</i></p> <p>5) <i>Need for more guidance on getting started in LSAP.</i></p>	<p>1. Hold LS Informational Sessions with non-enrolled Parishes/Schools/Colleges to:</p> <p>a) Inform or support LSAP</p> <p>b) update on current local environmental policy</p> <p>2. Host Screenings of The Letter as a simple but powerful strategy to raise awareness and invite people to get involved in caring for Mother Earth.</p>	<p>1. Continue LS Sessions with non-enrolled Parishes/Schools/Colleges to:</p> <p>a) Inform or support LSAP</p> <p>b) Update on current local environmental policy</p> <p>10%?</p> <p><b>AI: Video/Informational sessions + planning</b></p> <p>cr3. Mobilize communities to Host their own screenings of the Letter. <b>(How many? (2-3) When? (spring - Fall) where?)</b></p> <p>4. For the Season of Creation issue in the St Francis Pledge NL, having a dedicated section to share wins from LS Parishes and Schools at AoC -October</p>	<p>1. Continue LS Sessions with non-enrolled Parishes/Schools/Colleges to:</p> <p>a) Inform or support LSAP</p> <p>b) Update on current local environmental policy</p> <p><b>10%?</b></p> <p>2. Read and Reflect on Laudato Si/Laudate Deum encyclical. Host community Sessions to read LS together and reflect on its profound, transformative message. Reflecting sessions can happen in different outside locations that connect with the beauty of nature. <b>6 chapters=6 sessions. Dr Vince?/Sr Leanne?/who else?. Begging Late spring or summer.</b></p> <p>4. For the Season of Creation issue, having a dedicated section to share wins from LS Parishes and Schools at AoC -October</p>	<p>1. Continue LS Sessions with non-enrolled Parishes/Schools/Colleges to:</p> <p>a) Inform or support LSAP</p> <p>b) Update on current local environmental policy</p> <p>3. Gain a dedicated section in the Telegraph dedicated to LSAP and CCTF. "Loving God's Planet"</p>
<b>2. Connect [with others and nature]</b>	<p>1. <i>Few opportunities to connect and learn from others.</i></p> <p>2. <i>Absence of a leading voice to restore and promote ecological practices.</i></p> <p>3. <i>Lack of means to connect our faith to Care for Creation</i></p>	<p>1. Hold a multi-disciplinary LS Conference with the intent to learn about LSAP, learn, connect with others, get inspired and mobilized around care for creation</p> <p>2. Establish a baseline: Ph1</p> <p>3. Identify key Points of contact/Leaders</p> <p>4. Re-design the current website as a space for all sectors enrolled in LSAP, their websites and PoCs</p>	<p>0. Establish a baseline: Ph2</p> <p>1. Consolidate a committed working network for each sector.</p> <p>2. Provide sectors with specific goals, guidelines and support to become self sustainable and nourishing of new members.</p> <p>Consolidate a database of parishes, schools and colleges involved in care for creation and enrolled in LSAP.</p> <p>5. Create the website and leverage to share all progress, initiatives and ideas that arise in each sector.</p>	<p><b>1. Hold our second LSAP Conference in the Fall with dedicated workshops for each sector, now more formally established and energized.</b></p> <p>2. Continue strengthening the work and scope of each sector: Enroll 3 new families (~5%)</p> <p>5. Continue to leverage website to share all progress, initiatives and ideas that arise in each sector.</p> <p>6. Start a semi-annual communication (mech is TBD) that will be shared across all contacts to inform and inspire others in the work of Care for Creation</p>	<p>1) Garden visits - there are a number of parishes and organizations that have gardens; organize visits or volunteer days to be with one another and encounter each other in nature 2)Continue broadening the participants in the sector meetings.</p>
<b>3. Act, Advocate and empower</b>	<p>1. <i>Few practical Resources to equip individuals and communities in their sustainability journeys.</i></p> <p>2. <i>Lack of visibility of opportunities to alleviate damage caused to local, national and global ecosystems.</i></p> <p>3. <i>Need of an articulated strategy to broadcast all matters related to the Ecological Crisis and Care for Creation.</i></p> <p>4. <i>Need of a point of contact to support the growth of local LSAPs.</i></p> <p>5. <i>Absence of resources to maintain members up to date in environmental legislation.</i></p> <p>6. <i>Lack of tools to enable community leaders to confidently mobilize others in favor of environmentally friendly policy.</i></p> <p>7. <i>Need of collaboration across the archdiocese to present the catholic voice in local and/or national ecological issues.</i></p>	<p>1. Hire an LSAP Advocate 2. Develop a Website</p>	<p>1. Customize Toolbox for Parishes and schools.</p> <p>2. Develop a "Holding your first LSAP meeting" Kit.</p> <p>3. Make GPG available in spanish</p> <p>4. Celebrate Season of Creation</p> <p>5. Create a template for long-term planning for LSAP initiatives. (Water conservation/energy/infrastructure)</p>	<p>1. Enhance our Advocacy 101 Toolbox.</p> <p>2. Continue to Offer bi monthly zoom updates on local and national environmental policy</p> <p>3. Other? With semi-annual communication, share advocacy opportunities with sector groups.</p>	<p>1) Continue monitoring bills and other opportunities to advocate, locally or abroad, for environmental awareness and protection</p>
