

Come to Learn about Actions for God's Creation: Heat Pumps and Electric Vehicles

WHEN: Tuesday, October 1st from 6:30 to 8:00 PM

WHERE: St. Augustine's Gathering Room (7333 O'Brien Road,
Baldwinsville, 13027 adjoining the Church)

Outdoor unit air source heat pump

Description: Two of the most significant ways households can better care for God's creation are by switching to clean heating and cooling via heat pumps and leasing or purchasing a hybrid or electric vehicle

Two Syracuse non-profit/government experts will be coming to St. Augustine's to chat on these two topics that can reduce our dependence on fossil fuels:

- Erica Herman from the CNY Regional Clean Energy Hub (EnergySmart CNY) on heat pumps & getting heat pump ready
- Barry Carr from Clean Communities of CNY on hybrid and electric vehicles

*Organized by the Baldwinsville Area Interfaith
Creation Care Team as part of Season of Creation 2024
Theme: "To hope and act with creation"*

(A Zoom option may also be available for this event.)
