A Hidden Wholeness: Uncovering an Integral Ecology

Tuesday, October 29, 2024 from 7:00 PM - 8:30 PM

O'Connor Hall, Diocesan Pastoral Center 2900 Noblestown Road Pittsburgh, PA 15205

Join Jarrod Kinkley, Founder of the Cooperative for Integral Ecology, for an evening when ecology and spirituality meet. We will uncover the reality that all of creation is connected. Together, we will listen for opportunities to act prophetically in our homes, parishes, and communities.
